

THE SEARCH BEGINS

Residents of Harrison County are invited to search for the biggest RED OAK tree in the county.

Big trees can be found in yards, arboretums, and cemeteries and can be found in parks and backyards. The winning tree's landowner(s) and/or nominator(s) will be recognized at the Harrison SWCD's Annual Meeting & Banquet held in the fall.

Entries must be received by September 1, of the current year. Entries received after September 1, will be evaluated as part of the following contest.

For more information contact Harrison SWCD at 740-942-8837.

BIG TREE CONTEST

Deadline: September 1st
Entries received after that date will be entered into the following year's contest.

Trees will be measured utilizing the three measurements of circumference, height and average crown spread to obtain the total points for a Big Tree Score. Nominations are open to anyone. However, the tree must be located within Harrison County.

For more information contact Harrison SWCD at 740-942-8837.
